

0182: Extra-Wide Multigrip Pliers with Fast Locking Button

The + product:

Practical: wide opening to substitute for several sets of pliers. **Ergonomic** with very large handles for a better grip **Fast** with a fast locking button for accurate adjusting.

Description

Extra-wide opening, up to 30% wider than typical pliers: one set of pliers instead of several (saves weight and space in the toolbox).

Fast locking button for easier and more accurate adjusting, 18 locking positions

Non-slip handles for a better grip.

Extra-wide handles for a better grip and lesser effort.

Chrome vanadium pliers, forged for a very high strength tool with double thermal treatment.
