

2631 : Level with 2 in 1 centre distance

The + product :

Special plumbing: designed for accurate alignment of wall-mounted fixtures.

2-in-1: 3 vials for classical use as a spirit level.

Handy: supplied in reusable storage bag.

Description

Standardized centre distance level, for accurate horizontal and vertical levelling of wall-mounted fixtures.

2 **removable** calibres, with vials, double thread 3/8" and 1/2".

Standardized **dimensions**: 90 - 110 - 120 - 140 - 150 - 160 - 180 - 200 - 220 mm.

Can be used as a classical level with its **3 vials** (horizontal, vertical, 45°).

Length 50 cm

Optimum 0.5 mm/m **accuracy** thanks to top range shock resistant, **lifetime guaranteed vials**, with inside permanent engraved level line. The vials are treated against UV radiation to prevent fading by sunlight. Reinforced shock resistant end pieces, 2 fastening holes.

High quality aluminium profile.

Supplied with:

- 2 removable calibres.
- Storage pouch.
