

MAKE THE MOST OF YOUR TALENT

PC50 PIPE CUTTER

For plastic pipes \varnothing 50 mm

01 CUT WITHOUT EFFORT

On average, cutting load is reduced by 20% with the PTFE Telfon coating (facilitates blade sliding) and with the patented double ratchet mechanism.

02

CHAMFER WITHOUT CHANGING TOOL

Integrated reamer allows chamfering PVC pipes before gluing.

03

ALSO CUT ELECTRICAL WIRES

A dedicated area allows cutting electrical wires up to 462,5 mm² - max \varnothing 12 mm.

Examples of uses on \varnothing 50 mm PVC pressure pipe for swimming pool.

#VIRAXFRENCHMANUFACTURER

*-20% on average on different types of tubes compared to a regular coating.
