

*Higher still with
the VIRAX radiator lift
and the
Cylinder / Water heater lift!*

Professional tools designed to make your daily business easier!

 **virax**

Save space thanks to the folding arms.

✓ CYLINDER LIFT

✓ RADIATOR LIFT

An extension to mount the water heater even higher or to adapt to vertical radiators.

✓ CYLINDER LIFT

✓ RADIATOR LIFT

Handle safely and effortlessly thanks to the self-braking winch.

✓ CYLINDER LIFT

✓ RADIATOR LIFT

A complete range for safe and quick installation.

Standart equipement:

- **Folding arm and winch** to save space during storage.

- **New self-braking winch** for more safety and less effort during handling operations.

- **Numerous protective rubber strips.**

- **Resistant belt** for loads up to 150 kg.

Boiler lift Ref. 263620

- **Integrated extension** for even higher lifting (does not require any tools for mounting).
- **4 bearings under the fork** for greater precision during installation.
- **Holding strap** for dual safety while moving the cylinder / water heater.

Radiator lift Ref. 263605

- **Integrated extension** ideal for installing vertical radiators (does not require any tools for mounting).
- **Integrated telescopic radiator lock** for more safety and stability during movement.
- **Deep tray (22 cm)** to accommodate most radiators.

Characteristics

Description	Max load	Max lifting height without / with extension	Ref
Radiator lift	150 kg	0.57 m / 0.57 m	263605
Cylinder / water heater lift	150 kg	1.17 m / 1.90 m	263620

Réf. 263605 – Radiator lift

Réf. 263620 – cylinder / water heater lift

Réf. 263625 – Horizontal cradle

Réf. 263626 – Radiator adaptor enables a radiator to be installed from a cylinder / water heater lift.

Specific boiler lift accessories

Description	Max load	Max lifting height without / with extension	Ref
Horizontal cradle*	150 kg	1.87 m / 2.32 m	263625
Radiator adaptor*	150 kg	1.18 m / 1.91 m	263626

*Compatible only with the cylinder / water heater lift ref. 263620

The integrated extension enables vertical radiators to be moved.

Folding handle and winch, practical for storage.
