

ALUMINUM BENDING PLIER 2514

For copper and multilayer pipes

MAKE THE MOST OF YOUR TALENT

01

NO MORE KNEE-HURTING BENDS!

The new **SYNTHETIC RUBBER PROTECTION** gives you maximum comfort when bending.

02

LESS EFFORT TO BEND

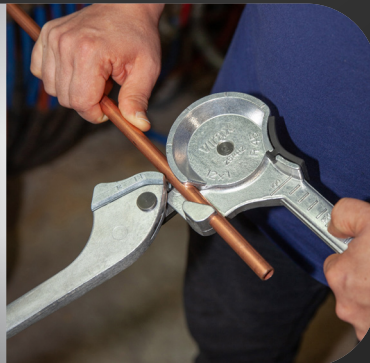

To reduce the strain of repeated bending, you can clamp the plier in a vice.

03

EASILY MEASURE

The graduations on the handle allow you to take measurements quickly and easily.

- 251412** BENDING PLIER 12 MM / R45
- 251414** BENDING PLIER 14 MM / R50
- 251416** BENDING PLIER 16 MM / R60
