MAKE THE MOST OF YOUR TALENT

PLIERS WRENCH

7" - 180 MM

10" - 250 MM

12" - 300 MM

1 USE IT FOR EVERYTHING...

Tighten, loosen all types of bolts, hold, bend, pinch and form thanks to its multiple applications for plumbing, mechanics, maintenance, industry...

2 ...WITHOUT DAMAGING ANYTHING

Preserve chrome coatings and soft material nuts thanks to its smooth and parallel jaws.

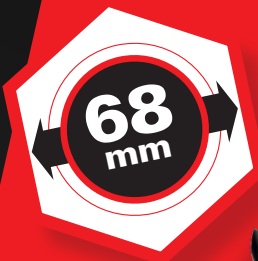

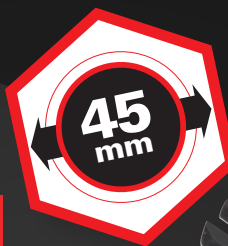

3 BULKY, ECONOMIC

Save space in your toolbox and save money : it replaces a complete set of spanners up to 68 mm (12").

4 MEASURE

Measure with precision based on the vernier caliper principle, thanks to their slider on the movable jaw.
