MAKE THE MOST OF YOUR TALENT

PLIERS WRENCH

7" - 180 MM
10" - 250 MM

3

10"
250 mm

7"
180 mm

1 USE IT FOR EVERYTHING...

Tighten, loosen all types of bolts, hold, bend, pinch and form thanks to its multiple applications for plumbing, mechanics, maintenance, industry...

2 ...WITHOUT DAMAGING ANYTHING

Preserve chrome coatings and soft material nuts thanks to its smooth and parallel jaws.

3 BULKY, ECONOMIC

Save space in your toolbox and save money : it replaces a complete set of spanners up to 45 mm - 1.3/4".

4 MEASURE

Measure with precision on the caliper principle thanks to its cursor on a movable jaw.
