

# 01

### POWERFUL POCKET LAMP...

Weighing just 54g, it will fit unobtrusively in your pocket and provide precise, powerful lighting (200 lumen COB LED).

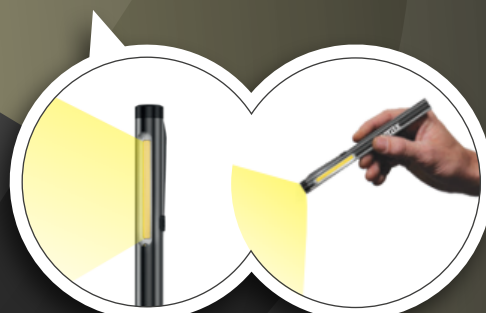

# 02

### ADAPTS TO THE WAY YOU LIGHT...

Thanks to its dual function: directional spotlight for precision illumination or COB LED strip light for wide illumination.

# 03

### KEEP YOUR HANDS FREE...

Hang it on any metal surface thanks to its two magnetized zones, or on any textile surface thanks to its hanging clip.
