

MAKE THE MOST OF YOUR TALENT

CLEAN AND OPTIMIZE FACILITIES
MULTI-MATERIAL HEATING

01

ELIMINATE SLUDGE AND SCALE

BOILER / RADIATOR / HEATED FLOOR

The flow reverser allows you faster and more effective action by attacking deposits in both directions!

02

CARRY IT EFFORTLESSLY

Its sturdy handle allows you to move it easily.

IP54

30L/min

03

CHECK THE FLUID LEVEL

The translucent and anti-impact plastic tank allows you to view its content.
