

Ensure comfort and quality of work during your interventions.

01

WORK MORE COMFORTABLY

Foldable and designed in dense and comfortable foam to accommodate you lying down, kneeling or even sitting: thus reducing the risk of MSDs and fatigue !

02

USE IT EVERYWHERE

Waterproof and silicone-free, it resists water, hydrocarbons and limits the appearance of mold.

03

CARRY IT EASILY

Its ergonomic handle and retaining strap make it compact and easy to transport.
